

Dear Potential Speaker,

We are always searching for new and interesting speakers to bring value to our membership of approximately 600 career coaches consisting of both entrepreneurial and corporate coaches. Our announcements go out to all of our growing membership and to the 6,000 plus member community of Coach U's current students and alumnae. Our on-line attendance at our teleconference meetings is usually between 25-30 participants depending on the topic. Others who are not able to attend the meeting live download and listen to the recording posted on our website at <http://careercoachsig.org> at their convenience.

As a speaker, you are entitled to promote your services at the end of the teleconference and email our entire community with a promotional offer and/or additional information after the meeting.

We meet on the second Wednesday of every month, from 12:00 noon-1:00 PM ET. If you're interested please email Mike Gellman (magellman@gmail.com) and Nancy Cattle (Nancy@NancyCattle.com) and let us know what topic you would like to present, and what date(s) would work best for you.

Looking forward to hearing what you would like to share with our group!

All the best,
Mike Gellman and Nancy Cattle

Co-Hosts Career Coach SIG
